

ONDC Stack for Lenders

Get onboard, optimize ops, and scale lending on ONDC.

Presented by  **FinBox**

ONDC is projected to bring 80-90 million self-employed workers and 6-7X more MSMEs to the digital commerce ecosystem.

Be a part of India's e-commerce revolution. Register as a seller on ONDC.

What's in it for lenders?

Massive lending potential

Cash in on ONDC's lending potential early on

New borrower cohorts

Offer credit to unique borrower groups, across use-cases

High-volume and quality data

Enable Platform data-based underwriting

FinBox does all the ONDC heavy-lifting for you

- ✓ Onboard as sellers
- ✓ Integrate infrastructure on to the network
- ✓ Bridge infrastructure gaps, if any
- ✓ Handle third-party vendor integrations
- ✓ Manage ops and performance on a back-office portal
- ✓ Orchestrate complex processes like KYC and BRE
- ✓ Access reports for viability on program health and more

Build configurable journeys on ONDC platforms

Diverse credit products:

Offer personal loans, MSME loans, invoice financing, and more

Blazing-fast BRE (Sentinel):

Automate, fine-tune, and simulate policies with ease and no tech intervention.

STP and NSTP journeys:

Design automated and manual workflows from our back-office dashboard.

Journeys for NTB and ETB:

Customise journeys for both new-to-bank and existing-to-bank customers.

Trusted brands, trust us
